

AssetMerkle IGDTUW

AssetMerkle

AssetMerkle IGDTUW is the first Web3 and Blockchain society at IGDTUW.

With the growing importance of Web3 technology in the industry, we believe it is crucial for students to gain practical skills in this field.

At AssetMerkle, we host:

- Hackathons- **AM Hacks** (2K+ participants, 150 projects) , **AM Hacks 2.0** (1.5K+ registrations , 200+ projects) and **BFF Hackathon**
- Exclusive bootcamps like She on Chain
- Workshops & meetups with **MEXC x Build3DAO** and **Aptos**.
- **Web3Xcelerate** Week mentorship cohort
- **Chain Pe Charcha** sessions with EmergeX, Netsepio
- At **KRNL Labs**, we explored building modular, AI-powered Web3 development.
- **Web3 Week** — a week-long mentor-led online series covering key concepts and emerging trends in Blockchain and Web3.

Highlights

**PIONEERING BLOCKCHAIN
SOCIETY**

**EXPERT-LED WORKSHOPS
& EVENTS**

ORGANISING HACKATHONS

AM Hacks'26

- **AM HACKS 2.0**, a national-level hackathon organized by Asset Merkle bringing together innovators from across India.
- Recorded **1,500+ registrations** and **200+ innovative projects**
- Built around **Open Innovation** encouraging participants to collaborate and solve real world challenges.
- Featured mentorship from industry experts alongwith networking opportunities.
- **₹3,00,000+ prize pool** along with additional rewards
- Concluded with an electrifying offline finale where top teams showcased live prototypes and pitched before an expert jury panel.

AM Hacks'25

- **AM HACKS** , a **36-hours long** hybrid hackathon hosted by Asset Merkle.
- **Over 1,500+** passionate innovators joined the tech revolution from far and beyond.
- Focused on Web3, Blockchain, and AIML breakthroughs featuring projects on **crypto wallets, DAOs, DeFi**, and more.
- **₹2,00,000+ prize pool** rewarding the brightest minds.
- Many learning sessions, fun activities, and attractive swag giveaways.
- Highlighted by final showcases where innovators presented their solutions to an expert panel.
